REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall

be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

CIRCULAR.

HORSE-GUARDS, 15th April, 1829.

Memorandum.

IT having been represented that great Inconvenience arises from the use of the White pipe-clayed Cross Belt over the Blue Regimental Coat, the adoption of a New Manufacture, in imitation of Leather, has been approved, which it is expected will answer every purpose, both as regards appearance and durability; and a Cross Belt made of this Material, having been sealed with the Seal of this Department, has been deposited at the Office of Military Boards for general guidance.

The Price of this Article is from Fourteen to Fifteen Shillings, and it may be procured on application to Mr. W. Shepherd, New Gloucester Place, Hoxton.

It is to be understood that the Regimental Breast-Plate is to be worn with the Imitation Cross Belt, but that the latter is confined to those occasions when the Blue Great Coat is worn. The Black Waist Belt is consequently abolished, except in Rifle Regiments, and in the case of General Officers and of General and Regimental Staff Officers, Adjutants of course excepted.

A Pattern Wing for Fusileer and Highland Regiments, as well as for Regiments of Light Infantry and Flank Companies of the Line, has been approved and deposited at the Office of Military Boards.

Field Officers of Fusileer, Light Infantry, and Highland Regiments, as a distinction, are to wear Epaulettes only, of the same Pattern as those of the other Regiments of Infantry.

Highland Regiments are permitted to wear the Regimental Tartan Trowsers on all occasions when the Kilt is not worn.

The Epaulettes of the King's Staff, and of the general Staff of the Army, are to remain unaltered, with this difference only, that each Officer is to wear Two, as in the case of Regimental Officers, the Bullion of which is to correspond with their respective Army Rank.

In future the King's Staff, and the Staff of the Army in general, will be allowed to wear Undress Trowsers of the "Oxford Mixture," with a Red Stripe down the outward Seam.

A Pattern of these Trowsers has been deposited at the Office of Military Boards.

The Blue Trowsers, with Gold or Silver Lace, are to be continued for all occasions of Parade when the Full Dress is worn.

The Colour of the Overalls, of the Officers and Men of the Light Cavalry, is to be changed from Blue Grey to the "Oxford Mixture," the Stripes to be of the Colour of the Lace of each Regiment, and disposed as at present.

This alteration is to take place from 25th December, 1831, or at such earlier period as may be practicable in reference to the time of Regimental Supply.

The Cap for the Staff of the Regiments of Lancers (the Adjutant excepted) to be plain Black or Blue, without any mixture or Band of the Colour of the Facings, and with Black Silk Lace instead of Gold or Silver Ornaments.

A Pattern of this Cap will be deposited at the Office of Military Boards.

The Dress prescribed in the Circulars of the 1st April, 1828, and 9th February, 1829, for the Officers of Regiments of Heavy Cavalry when attending His Majesty's Drawing Rooms, is applicable to Levees also.

The Pay-Masters, Quarter-Masters, Surgeons, and Assistant-Surgeons in the Infantry, are to wear the Uniform of their respective Regiments, (the Sash excepted,) with the Epaulettes of their corresponding Ranks, and Cocked Hats as heretofore. Officers holding these Situations in Rifle Regiments are to wear a plain Chaco; that is, without the Cap Line.

The Adjutant in all Regiments, Cavalry and Infantry, is to wear the Uniform of his Army Rank, without any peculiar distinction.

By Command of the Right Honourable

General Lord Hill,

Commanding in Chief.

H. TAYLOR, Adjutant-General.

Memorandum.

A QUESTION having arisen as to the Amount of the Subscriptions to be paid to Regimental Mess and Band Funds by Married Officers, Lord Hill desires it may be understood, that his Lordship considers Married Officers equally liable with Unmarried Officers to the First Subscriptions to the Mess and Band Funds on coming into a Corps, or on Promotion, as well as to the Annual Contribution to the Band Expenses, but that his Lordship conceives

they should be wholly exempted from the payment of any *Annual Contribution* to the Mess, supposing such to be required.

By Command of the Right Honourable

General Lord Hill.

H. TAYLOR, Adjutant-General.

WAR-OFFICE, 11th May, 1829.

SIR,

I HAVE the honour to acquaint you that His Majesty has been graciously pleased to direct that the Officers of Regiments, which may be stationed in Quarters, shall be placed on the same footing, in respect to the Accommodation of a Mess Room, as the Officers of Regiments which are stationed in Barracks.

I have accordingly to acquaint you that when a Regiment, or the Reserve Companies of a Regiment, are in Stationary Quarters for a period exceeding one Week, in Great Britain or Ireland, the actual hire of a Room for the Officers' Mess Room, not exceeding Two Guineas a Week, will be admitted as a Charge in the Regimental Accounts, and also a commuted Allowance for Coals and Candles for the Room, at the rate of Nine Shillings a Week from the 1st September to the 30th April, and at the rate of Six Shillings a Week from the 1st May to the 31st August.

The Charges for the hire of a Mess Room, which may be made in the Regimental Accounts agreeably to the above Regulation, are to be vouched by the Receipt of the Proprietor of the Room, and by a Certificate from the Commanding Officer, showing that the Rate paid for the Room is the lowest Rate at which a proper Room for the purpose could be hired at the Station.

This Regulation is to take effect from the 25th December last, but I have to add, that the expense for the hire of a Mess Room, which may have been incurred during the Year 1828 by a Regiment or Reserve in Stationary Quarters, may be submitted for consideration.

I have, &c.

MEMORANDUM.

WAR-OFFICE, 23d April, 1829.

THE Secretary at War acknowledges the receipt of an Anonymous Letter, signed "R.," dated "London, 22d April, 1829," enclosing a Sovereign and Two Bank of England Notes for Five Pounds each. The Letter states as follows: That the Writer had received the said sum "from His Majesty's Government within the last ten years, first through error, and subsequently through fear of detection in having acted wrong, and sincerely regrets that he was not aware, until within the last few days, of any mode of making reparation without risking personal safety.

"The Writer has long since discontinued the practice of overdrawing, and believes that the sum now enclosed will refund principal and compound interest on the Sum improperly received by him."

N.B. The above Sum of Eleven Pounds has been paid accordingly into the Bank of England, to the Account of the Paymaster-General of the Army.

MEMORANDUM.

WAR-OFFICE, 8th June, 1829.

THE Secretary at War acknowledges the receipt of a letter signed "X. Y. Z.," dated "June 8th, 1829," and enclosing Two Bank of England Notes for Ten Pounds each. The Writer states as follows: "The enclosed Sum of Twenty Pounds has been some time in my hands, and as I do not know to whom it belongs, I return it to the source from which it came into my possession, you will be so good as to place it to the credit of the Public."

The Secretary at War has accordingly paid the amount in question into the Bank of England, to the account of the Paymaster-General of His Majesty's Forces.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home*, unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 456.

GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, sh

be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

MEMORANDUM.

HORSE-GUARDS, 30th June, 1829.

SUBALTERNS upon Half-Pay who may be desirous of Retiring, receiving a Commuted Allowance for the same, are requested to address themselves to the Military Secretary to the General Commanding in Chief, transmitting to him a Certificate from a Medical Officer of the present state of their Health, and informing him of their Age, whether they are Married and have Children, and if they are actually in the Receipt of Half-Pay at this Moment.

CIRCULAR.

HORSE-GUARDS, 15th June, 1829.

Memorandum.

A QUESTION having arisen as to the advantages which Married Officers not contributing the Annual Subscription ought reasonably to derive from the Regimental Mess, the General Commanding in Chief desires it may be understood, that he considers it only imperative on Married Officers, as stated in the Circular of 25th April last, to pay the First Subscription on Appointment, and those consequent upon Promotion; it remaining optional with them to pay or to decline paying the usual Annual Subscription; but in all cases where this last is withheld, Lord Hill is of opinion, that they cannot consider themselves entitled to any advantage beyond that of frequenting the Mess in their own person, whenever they may think proper.

By Command of the Right Honourable

General Lord Hill, Commanding in Chief.

H. TAYLOR, Adjutant-General.

CIRCULAR.

HORSE-GUARDS, 17th June, 1829.

Memorandum.

THE King having been pleased, with a view to diminish the Expense of the Dress and Equipments of Officers of Rifle Regiments, to command that a New Set of Patterns, as specified in the Margin,* should be prepared, the same have been sealed by order of the General Commanding in Chief, and deposited at the Office of Military Boards, 21, Spring Gardens, for the purpose of regulating future supplies.

All Officers of Rifle Regiments are permitted to wear out the Clothing and Articles of Equipment now in use, but it is to be understood, that they are in future to confine themselves strictly to the New Patterns, and that no deviation whatever from them will be allowed.

All previous Patterns for Officers of Rifle Regiments at the Office of Military Boards, not included in the annexed List, are directed to be cancelled.

These Regulations will be understood to extend equally to the Ceylon Rifle Corps, and to the Cape Corps of Mounted Riflemen, in as far as their Appointments can be made conformable to Rifle Regiments of Infantry.

By Command of the Right Honourable
General Lord Hill, Commanding in Chief.

H. TAYLOR, Adjutant-General.

HORSE-GUARDS, 19th June, 1829.

SIR,

A NEW Knapsack having been approved for the Service of the Infantry of the Army, the General Commanding in Chief has been pleased to direct, that a Pattern shall be sealed and deposited at the Office of Military Boards for the purpose of regulating future Supplies.

It is considered that the new Knapsack, which has undergone the minute

examination of the Committee of the Consolidated Board of General Officers, and which has been likewise subjected to mature trial, will be found to embrace the following advantages :—

1st.—The Valisse is dispensed with.

2d.—The wooden frame is stronger, and better constructed than in the present Knapsack.

3d.—A Pocket is attached to the flap, which is found to add greatly to the convenience of the Soldier.

4th.—The Buckles, which, in the present Knapsack, are merely stitched on to the flap, (and which is liable to give way at these points,) are sewn to straps, which are stitched all along the flap, a method that tends to render the whole more strong and durable.

5th.—The new Pattern admits of the Great Coat being carried in Three different ways :—If within the Pack, when the Men are lightly equipped in point of necessities, it will be separated from the necessities by the inner flaps, and covered by the other side flaps ; if it be put on the outside, folded square, the Mess Tin will be carried on the Top of the Knapsack ; if rolled, it can be secured on the top of the Knapsack, with the Straps which have been placed there for that purpose, when the Mess Tin will go below it, at the back of the Knapsack.

6th.—The whole of the Knapsack Slings and Straps for carrying the Great Coat are of Buff, to obviate the objection against part of the Straps requiring Blacking.

7th.—The Mess Tin Cover is of unpainted Canvass only, and can be cleaned with pipe-clay, or washed.

8th.—The estimated price of the new Knapsack complete, with Mess Tin and Cover, Straps and Slings, does not exceed Fourteen Shillings, whereas the present sealed pattern, (which is hereby cancelled,) completed with these Articles, and with the Valisse, is charged from 14s. 6d. to 16s.

In making this communication, I am at the same time to acquaint you, that the General Commanding in Chief approves of the Three methods of carrying the Great Coat as abovementioned, and which are to be adopted under the following circumstances :—

In light Marching Order the Great Coat to be carried within the Pack—separated from the necessities by the inner flaps, and covered by the side flaps.

In heavy Marching Order the Great Coat to be carried folded square on the outside, (the Mess Tin on the top of the Knapsack,) to facilitate the Exercise and Firing.

On the Line of March the Great Coat to be rolled, and to be carried on the top of the Knapsack, (with the Mess Tin below it at the back of the Knapsack,) to relieve the weight.

I am further to add, that the Knapsack now in wear by the Regiment under your Command will be continued, until it shall be found necessary to have recourse to further supplies.

I have the honour to be,

Sir,

Your most obedient humble Servant,

H. TAYLOR, Adjutant-General.

CIRCULAR.

HORSE-GUARDS, 29th June, 1829.

SIR,

IN consequence of representations which have been received from the General Post Office, the General Commanding in Chief finds it necessary to direct your particular attention to that part of the General Orders and Regulations of the Army which relates to the "*Postage of Soldiers' Letters*," and to desire that the same may be read to the Regiment under your Command once every Two Months, with the Articles of War, and occasionally to each Company by the Officer in command of it.

Lord Hill further desires that you will take every opportunity of making the Non-commissioned Officers and Soldiers of the Regiment sensible of the inconvenience to which they expose themselves, their families, and other relations, by fraudulently abusing the liberal arrangement made by the Legislature of their country, to enable them to carry on their correspondence at home and abroad at an almost nominal Rate of Postage; also, that by thus attempting to injure the Public Revenue, they may impose upon His Majesty's Government the necessity of recommending the Repeal of the Act of Parliament which confers so valuable a benefit upon them.

I have it specially in command to refer you to the following Extract from page 186 of the General Orders and Regulations, and to signify Lord Hill's most positive injunctions that you rigidly act up to the determination therein expressed upon the part of His late Royal Highness the Duke of York:—

"Any Non-commissioned Officer or Soldier who shall present to his Officer a Letter to be rendered Free of Postage, which is not bona fide his own, will be guilty of a Fraud, and a breach of Discipline, for which it is His Royal Highnesses express command that every offender shall be tried and no alleviation of whatever Punishment may be awarded must be expected."

I have the honour to be,

Sir,

Your most obedient humble Servant,

H. TAYLOR, Adjutant-General

No. 477.

GENERAL ORDER.

HORSE-GUARDS, 30th June, 1829.

IT appearing from the Reports made to the General Commanding in Chief that the Practice of Light Infantry Movements has been much neglected in some Regiments of the Line, the Adjutant General has received His Lordship's Orders to direct the notice of the Inspecting General Officers to this subject, and to desire that they will call the attention of Officers in Command of Regiments and Reserve Companies to the importance which is attached to the Instruction of every Regiment of Infantry in the Service in the Movements and Duties of Light Infantry.

His Majesty's Regulations have at all times prescribed it; and Commanding Officers of Regiments are much mistaken, if they conceive that the Practice, so prescribed, is to be confined to Light Regiments, or to the Light Companies of other Corps. The object in view is, that the *whole* of every Regiment should be made as perfect as possible in the Evolutions and Movements of Light Infantry, and should be qualified to move as such, if required, and to take the Out-Post Duty in any Situation of Service.

The Officers have ample time to make themselves acquainted with every detail of this Service, independently of the information they must possess of Line Movements; and it is unnecessary to dwell upon the essential advantage which they will derive from a competent Knowledge of Duties which they may, in the absence of Light Troops, be called upon to perform in the Field.

Lord Hill therefore directs, that the Exercise of the whole Corps in extended Order, as Light Infantry, may, in future, form one of the objects of the Half-Yearly Inspection and Report to be made of every Regiment.

By Command of the Right Honourable

The General Commanding in Chief.

HERBERT TAYLOR, Adjutant-General.

No. 478.

GENERAL ORDER.

HORSE-GUARDS, 18th July, 1829.

HIS Majesty, being desirous to encourage Officers to become Settlers in the British North American Provinces, is pleased to command, that Grants of Land, in the proportions undermentioned, shall, on the recommendation of the General Commanding in Chief, be made to those Officers who may be induced to avail themselves of the offer, viz.—

	Acres.
Lieutenant-Colonel	1200
Major	1000
Captain	800
Subaltern	500

subject always to the conditions of actual Residence, and Cultivation of the Land assigned, within a limited period.

Officers who shall propose to settle in the British Provinces of North America, will, if of a proper Age, and if their service shall be considered as entitling them to the indulgence, be permitted to dispose of their Commissions; and in order that His Majesty's Government may have full security for the appropriation to the intended purpose of the sums produced by such Sale, it is His Majesty's Command, that the Agent, to whom the Purchase Money is paid, shall be instructed to retain in his hands one third of the amount in each case, until a Certificate shall be transmitted by the Governor or Officer Commanding in the Province, that the Officer is actually settled:—The reserved Money will then be paid to him.

By Command of the Right Honourable

The General Commanding in Chief.

HERBERT TAYLOR, Adjutant-General.

Both Rates of Half Pay are paid Quarterly, without Deduction, at the Pay Office, Whitehall.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home, unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General; with a view to his being withdrawn from the Institution.

No. 456.

GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

MEMORANDUM.

HORSE-GUARDS, 30th June, 1829.

SUBALTERNs upon Half-Pay who may be desirous of Retiring, receiving a Commuted Allowance for the same, are requested to address themselves to

the Military Secretary to the General Commanding in Chief, transmitting to him a Certificate from a Medical Officer of the present state of their Health, and informing him of their Age, whether they are Married and have Children, and if they are actually in the Receipt of Half-Pay at this Moment.

CIRCULAR.

HORSE-GUARDS, 15th June, 1829.

Memorandum.

A QUESTION having arisen as to the advantages which Married Officers not contributing the Annual Subscription ought reasonably to derive from the Regimental Mess, the General Commanding in Chief desires it may be understood, that he considers it only imperative on Married Officers, as stated in the Circular of 25th April last, to pay the First Subscription on Appointment, and those consequent upon Promotion; it remaining optional with them to pay or to decline paying the usual Annual Subscription; but in all cases where this last is withheld, Lord Hill is of opinion, that they cannot consider themselves entitled to any advantage beyond that of frequenting the Mess in their own person, whenever they may think proper.

By Command of the Right Honourable

General Lord Hill, Commanding in Chief.

H. TAYLOR, Adjutant-General.

CIRCULAR.

HORSE-GUARDS, 17th June, 1829.

THE King having been pleased, with a view to diminish the Expense of the Dress and Equipments of Officers of Rifle Regiments, to command that a New Set of Patterns, as specified in the Margin,* should be prepared, the same have been sealed by order of the General Commanding in Chief, and

• Pelisse.

Jacket.

Pair of Cloth-braided Trowsers.

Ditto of Green Gambroon Trowsers for Summer.

Chaco and Plume, as now worn, the latter to be replaced by the Black Circular Tuft on Service.

Steel Mounted Sword, with Black Leather Knot and Steel Scabbard.

Leather Scabbard for Full Dress occasions.

Pouch Belt with Bronze Ornaments.

Black Waist Belt.

Plain Black Sabretasche for Field Officers, as now worn.

Green Frock Coat with Bronze Buttons, and Black Twist Shoulder Straps, to correspond in all other respects with the Blue Regimental Coat for Officers of Infantry.

Green Cloak lined with Black Serge, optional.

deposited at the Office of Military Boards, 21, Spring Gardens, for the purpose of regulating future supplies.

All Officers of Rifle Regiments are permitted to wear out the Clothing and Articles of Equipment now in use, but it is to be understood, that they are in future to confine themselves strictly to the New Patterns, and that no deviation whatever from them will be allowed.

All previous Patterns for Officers of Rifle Regiments at the Office of Military Boards, not included in the annexed List, are directed to be cancelled.

These Regulations will be understood to extend equally to the Ceylon Rifle Corps, and to the Cape Corps of Mounted Riflemen, in as far as their Appointments can be made conformable to Rifle Regiments of Infantry.

By Command of the Right Honourable

General Lord Hill, Commanding in Chief.

H. TAYLOR, Adjutant-General.

HORSE-GUARDS, 19th June, 1829.

SIR,

A NEW Knapsack having been approved for the Service of the Infantry of the Army, the General Commanding in Chief has been pleased to direct, that a Pattern shall be sealed and deposited at the Office of Military Boards for the purpose of regulating future Supplies.

It is considered that the new Knapsack, which has undergone the minute examination of the Committee of the Consolidated Board of General Officers, and which has been likewise subjected to mature trial, will be found to embrace the following advantages:—

- 1st.—The Valisse is dispensed with.
- 2d.—The wooden frame is stronger, and better constructed than in the present Knapsack.
- 3d.—A Pocket is attached to the flap, which is found to add greatly to the convenience of the Soldier.
- 4th.—The Buckles, which, in the present Knapsack, are merely stitched on to the flap, (and which is liable to give way at these points,) are sewn to straps, which are stitched all along the flap, a method that tends to render the whole more strong and durable.
- 5th.—The new Pattern admits of the Great Coat being carried in Three different ways:—If within the Pack, when the Men are lightly equipped in point of necessaries, it will be separated from the necessaries by the inner flaps, and covered by the other side flaps; if it be put on the outside, folded square, the Mess Tin will be carried on the Top of the Knapsack; if rolled, it can be secured on the top of the Knapsack, with the Straps which have been placed there for that purpose, when the Mess Tin will go below it, at the back of the Knapsack.
- 6th.—The whole of the Knapsack Slings and Straps for carrying the Great Coat are of Buff, to obviate the objection against part of the Straps requiring Blacking.
- 7th.—The Mess Tin Cover is of unpainted Canvass only, and can be cleaned with pipe-clay, or washed.
- 8th.—The estimated price of the new Knapsack complete, with Mess

Tin and Cover, Straps and Slings, does not exceed Fourteen Shillings, whereas the present sealed pattern, (which is hereby cancelled,) completed with these Articles, and with the Valisse, is charged from 14s. 6d. to 16s.

In making this communication, I am at the same time to acquaint you, that the General Commanding in Chief approves of the Three methods of carrying the Great Coat as abovementioned, and which are to be adopted under the following circumstances :—

In light Marching Order the Great Coat to be carried within the Pack—separated from the necessities by the inner flaps, and covered by the side flaps.

In heavy Marching Order the Great Coat to be carried folded square on the outside, (the Mess Tin on the top of the Knapsack,) to facilitate the Exercise and Firing.

On the Line of March the Great Coat to be rolled, and to be carried on the top of the Knapsack, (with the Mess Tin below it at the back of the Knapsack,) to relieve the weight.

I am further to add, that the Knapsack now in wear by the Regiment under your Command will be continued, until it shall be found necessary to have recourse to further supplies.

I have the honour to be,

Sir,

Your most obedient humble Servant,

H. TAYLOR, Adjutant-General.

CIRCULAR.

HORSE-GUARDS, 29th June, 1829.

SIR,

IN consequence of representations which have been received from the General Post Office, the General Commanding in Chief finds it necessary to direct your particular attention to that part of the General Orders and Regulations of the Army which relates to the "*Postage of Soldiers' Letters*," and to desire that the same may be read to the Regiment under your Command once every Two Months, with the Articles of War, and occasionally to each Company by the Officer in command of it.

Lord Hill further desires that you will take every opportunity of making the Non-commissioned Officers and Soldiers of the Regiment sensible of the inconvenience to which they expose themselves, their families, and other relations, by fraudulently abusing the liberal arrangement made by the Legislature of their country, to enable them to carry on their correspondence at home and abroad at an almost nominal Rate of Postage; also, that by thus attempting to injure the Public Revenue, they may impose upon His Majesty's Government the necessity of recommending the Repeal of the Act of Parliament which confers so valuable a benefit upon them.

I have it specially in command to refer you to the following Extract from page 186 of the General Orders and Regulations, and to signify Lord Hill's most positive injunctions that you rigidly act up to the determination

therein expressed upon the part of His late Royal Highness the Duke of York:—

“Any Non-commissioned Officer or Soldier who shall present to his Officer a Letter to be rendered Free of Postage, which is not *bonà fide* his own, will be guilty of a Fraud, and a breach of Discipline, for which it is His Royal Highnesses express command that every offender shall be tried, and no alleviation of whatever Punishment may be awarded must be expected.”

I have the honour to be,

Sir,

Your most obedient humble Servant,

H. TAYLOR, Adjutant-General.

No. 477.

GENERAL ORDER.

HORSE-GUARDS, 30th June, 1829.

IT appearing from the Reports made to the General Commanding in Chief, that the Practice of Light Infantry Movements has been much neglected in some Regiments of the Line, the Adjutant General has received His Lordship's Orders to direct the notice of the Inspecting General Officers to this subject, and to desire that they will call the attention of Officers in Command of Regiments and Reserve Companies to the importance which is attached to the Instruction of every Regiment of Infantry in the Service, in the Movements and Duties of Light Infantry.

His Majesty's Regulations have at all times prescribed it; and Commanding Officers of Regiments are much mistaken, if they conceive that the Practice, so prescribed, is to be confined to Light Regiments, or to the Light Companies of other Corps. The object in view is, that the *whole* of every Regiment should be made as perfect as possible in the Evolutions and Movements of Light Infantry, and should be qualified to move as such, if required, and to take the Out-Post Duty in any Situation of Service.

The Officers have ample time to make themselves acquainted with every detail of this Service, independently of the information they must possess of Line Movements; and it is unnecessary to dwell upon the essential advantage which they will derive from a competent Knowledge of Duties which they may, in the absence of Light Troops, be called upon to perform in the Field.

Lord Hill therefore directs, that the Exercise of the whole Corps in extended Order, as Light Infantry, may, in future, form one of the objects of the Half-Yearly Inspection and Report to be made of every Regiment.

By Command of the Right Honourable

The General Commanding in Chief.

HERBERT TAYLOR, Adjutant-General.

No. 478.

GENERAL ORDER.

HORSE-GUARDS, 18th July, 1829.

HIS Majesty, being desirous to encourage Officers to become Settlers in the British North American Provinces, is pleased to command, that Grants

of Land, in the proportions undermentioned, shall, on the recommendation of the General Commanding in Chief, be made to those Officers who may be induced to avail themselves of the offer, viz.—

	Acres.
Lieutenant-Colonel	1200
Major	1000
Captain	800
Subaltern	500

subject always to the conditions of actual Residence, and Cultivation of the Land assigned, within a limited period.

Officers who shall propose to settle in the British Provinces of North America, will, if of a proper Age, and if their service shall be considered as entitling them to the indulgence, be permitted to dispose of their Commissions; and in order that His Majesty's Government may have full security for the appropriation to the intended purpose of the sums produced by such Sale, it is His Majesty's Command, that the Agent, to whom the Purchase Money is paid, shall be instructed to retain in his hands one third of the amount in each case, until a Certificate shall be transmitted by the Governor or Officer Commanding in the Province, that the Officer is actually settled:—The reserved Money will then be paid to him.

By Command of the Right Honourable

The General Commanding in Chief.

HERBERT TAYLOR, Adjutant-General.

No. 479.

GENERAL ORDER.

HORSE-GUARDS, 3d August, 1829.

THE General Commanding in Chief deems it necessary to correct a misapprehension with regard to the mode of Marching past at Inspections or Reviews.

His Lordship having observed that the Mounted Officers salute in Marching round in quick time, desires it may be understood that this should only be the case when the Troops, from their number, or other causes, are prevented from Marching round in slow time, and where the Line is formed into Mass of Columns at quarter distance, with a view to save time and preserve the Troops fresh for subsequent movements, as laid down at page 316 of the Field Exercise and Evolutions of the Army.

By Command of the Right Honourable

The General Commanding in Chief.

HERBERT TAYLOR, Adjutant-General.

No. 480.

GENERAL ORDER.

HORSE-GUARDS, 4th August, 1829.

THE General Commanding in Chief is under the necessity of cancelling the Authority whereby certain General Officers, though unemployed, have hitherto been permitted to retain Soldiers as Servants, and to desire that all

such Servants may be restored to the Ranks of their respective Regiments before the 24th of September next, except those who are attached to General Officers actually serving upon the Staff, to whom Bat-men are still to be allowed, as heretofore, from the Troops under their immediate command.

Lord Hill recals, with the greatest reluctance, the grant of an Indulgence of long standing, and trusts that the General Officers will readily feel that a continuance of it, whilst the Army remains upon its present low Establishment, could not be sanctioned without subjecting the Public Service to Inconvenience.

By Command of the Right Honourable

The General Commanding in Chief.

HERBERT TAYLOR, Adjutant-General.

No. 481.

GENERAL ORDER.

HORSE-GUARDS, 6th August, 1829.

THE General Commanding in Chief has been pleased to direct, that when Orders have been given for discharging a Soldier with Ignominy, the following Process shall be strictly adhered to in carrying such Orders into effect.

The Regiment being assembled, and the Man about to be discharged brought forward, the several Crimes and Irregularities of which he has been guilty are to be recapitulated, and the Order for his dismissal from the Service is to be read, together with his Discharge, in which will be noticed his ignominious and disgraceful conduct. The Buttons, Facing, Lace, and any other Distinctions, are then to be stripped from his Clothing: he is to be marched down the Ranks, and trumpeted or drummed, as the case may be, out of the Barracks or Quarters of the Corps.

By Command of the Right Honourable

The General Commanding in Chief.

HERBERT TAYLOR, Adjutant-General.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is *One year* from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is *Thirty Guineas.*

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 456.

GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

MEMORANDUM.

HORSE-GUARDS, 30th June, 1829.

SUBALTERNs upon Half-Pay who may be desirous of Retiring, receiving a Commuted Allowance for the same, are requested to address themselves to

the Military Secretary to the General Commanding in Chief, transmitting to him a Certificate from a Medical Officer of the present state of their Health, and informing him of their Age, whether they are Married and have Children, and if they are actually in the Receipt of Half-Pay at this Moment.

No. 478.

GENERAL ORDER.*HORSE-GUARDS, 18th July, 1829.*

HIS Majesty, being desirous to encourage Officers to become Settlers in the British North American Provinces, is pleased to command, that Grants of Land, in the proportions undermentioned, shall, on the recommendation of the General Commanding in Chief, be made to those Officers who may be induced to avail themselves of the offer, viz.—

	Acres.
Lieutenant-Colonel	1200
Major	1000
Captain	800
Subaltern	500

subject always to the conditions of actual Residence, and Cultivation of the Land assigned, within a limited period.

Officers who shall propose to settle in the British Provinces of North America, will, if of a proper Age, and if their service shall be considered as entitling them to the indulgence, be permitted to dispose of their Commissions; and in order that His Majesty's Government may have full security for the appropriation to the intended purpose of the sums produced by such Sale, it is His Majesty's Command, that the Agent, to whom the Purchase Money is paid, shall be instructed to retain in his hands one third of the amount in each case, until a Certificate shall be transmitted by the Governor or Officer Commanding in the Province, that the Officer is actually settled:—The reserved Money will then be paid to him.

By Command of the Right Honourable

The General Commanding in Chief.

HERBERT TAYLOR, Adjutant-General.

No. 480.

GENERAL ORDER.*HORSE-GUARDS, 4th August, 1829.*

THE General Commanding in Chief is under the necessity of cancelling the Authority whereby certain General Officers, though unemployed, have hitherto been permitted to retain Soldiers as Servants, and to desire that all such Servants may be restored to the Ranks of their respective Regiments before the 24th of September next, except those who are attached to General Officers actually serving upon the Staff, to whom Bat-men are still to be allowed, as heretofore, from the Troops under their immediate command.

Lord Hill recalls, with the greatest reluctance, the grant of an Indulgence of long standing, and trusts that the General Officers will readily feel that a

continuance of it, whilst the Army remains upon its present low Establishment, could not be sanctioned without subjecting the Public Service to Inconvenience.

By Command of the Right Honourable
The General Commanding in Chief.
HERBERT TAYLOR, Adjutant-General.

No. 481.

GENERAL ORDER.

HORSE-GUARDS, 6th August, 1829.

THE General Commanding in Chief has been pleased to direct, that when Orders have been given for discharging a Soldier with Ignominy, the following Process shall be strictly adhered to in carrying such Orders into effect.

The Regiment being assembled, and the Man about to be discharged brought forward, the several Crimes and Irregularities of which he has been guilty are to be recapitulated, and the Order for his dismissal from the Service is to be read, together with his Discharge, in which will be noticed his ignominious and disgraceful conduct. The Buttons, Facing, Lace, and any other Distinctions, are then to be stripped from his Clothing: he is to be marched down the Ranks, and trumpeted or drummed, as the case may be, out of the Barracks or Quarters of the Corps.

By Command of the Right Honourable
The General Commanding in Chief.
HERBERT TAYLOR, Adjutant-General.

MEMORANDUM.

The said sum has been paid into the Bank of England, to the account of the Paymaster-General of his Majesty's Forces, for the service of the Public.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is *One year* from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

MEMORANDUM.

HORSE GUARDS, 30th June, 1829.

SUBALTERNS upon Half-Pay who may be desirous of Retiring, receiving a Commuted Allowance for the same, are requested to address themselves to the Military Secretary to the General Commanding in Chief, transmitting to him a Certificate from a Medical Officer of the present state of their Health, and informing him of their Age, whether they are Married and have Children, and if they are actually in the Receipt of Half-Pay at this Moment.

No. 478.

GENERAL ORDER.

HORSE-GUARDS, 18th July, 1829.

HIS Majesty, being desirous to encourage Officers to become Settlers in the British North American Provinces, is pleased to command, that Grants of Land, in the proportions undermentioned, shall, on the recommendation of the General Commanding in Chief, be made to those Officers who may be induced to avail themselves of the offer, viz.—

	Acres.
Lieutenant-Colonel	1200
Major	1000
Captain	800
Subaltern	500

subject always to the conditions of actual Residence, and Cultivation of the Land assigned, within a limited period.

Officers who shall propose to settle in the British Provinces of North America, will, if of a proper Age, and if their service shall be considered as entitling them to the indulgence, be permitted to dispose of their Commissions; and in order that His Majesty's Government may have full security for the appropriation to the intended purpose of the sums produced by such Sale, it is His Majesty's Command, that the Agent, to whom the Purchase Money is paid, shall be instructed to retain in his hands one third of the amount in each case, until a Certificate shall be transmitted by the Governor or Officer Commanding in the Province, that the Officer is actually settled:—The reserved Money will then be paid to him.

By Command of the Right Honourable
The General Commanding in Chief.

HERBERT TAYLOR, Adjutant-General.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is *One year* from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 456.

GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

MEMORANDUM.*HORSE GUARDS, 30th June, 1829.*

SUBALTERNS upon Half-Pay who may be desirous of Retiring, receiving a Commuted Allowance for the same, are requested to address themselves to the Military Secretary to the General Commanding in Chief, transmitting to him a Certificate from a Medical Officer of the present state of their Health, and informing him of their Age, whether they are Married and have Children, and if they are actually in the Receipt of Half-Pay at this Moment.

No. 478.**GENERAL ORDER.***HORSE-GUARDS, 18th July, 1829.*

HIS Majesty, being desirous to encourage Officers to become Settlers in the British North American Provinces, is pleased to command, that Grants of Land, in the proportions undermentioned, shall, on the recommendation of the General Commanding in Chief, be made to those Officers who may be induced to avail themselves of the offer, viz.—

	Acres.
Lieutenant-Colonel	1200
Major	1000
Captain	800
Subaltern	500

subject always to the conditions of actual Residence, and Cultivation of the Land assigned, within a limited period.

Officers who shall propose to settle in the British Provinces of North America, will, if of a proper Age, and if their service shall be considered as entitling them to the indulgence, be permitted to dispose of their Commissions; and in order that His Majesty's Government may have full security for the appropriation to the intended purpose of the sums produced by such Sale, it is His Majesty's Command, that the Agent, to whom the Purchase Money is paid, shall be instructed to retain in his hands one third of the amount in each case, until a Certificate shall be transmitted by the Governor or Officer Commanding in the Province, that the Officer is actually settled:—The reserved Money will then be paid to him.

By Command of the Right Honourable
The General Commanding in Chief.

HERBERT TAYLOR, Adjutant-General.
